## MEXICO REFUSES TO ALTER OIL DECREES

MEXICO CITY, July 17 (delayed .- Gen. Jacinto B. Trevino, Secretary of Industry, Commerce and Labor, declares the

Gen. Trevino is quoted as stating that no modification can be made in the Car. Mails for South and Central Amerno modification can be made in the Carrama decrees because the Supreme
Court passed on the question by denying
twenty-nine petitions for appeal by the
petroleum operators and because the
General Congress approved extraordiTUESDAY, JULY 20. nary powers by virtue of which the for-mer President issued the decrees.

After a conference to-day with rep-resentatives of the oil men, the General announced that certain concessions had been made by the petroleum interests, but he did not indicate their nature. The oil men consented to deposit all renuls and perquisities due to Government, subject to ratification by the company's directors, while the Governnt agreed temporarily to suspend all procedure regarding denouncements of the Federal zones, according to the petroleum interests' version of the con-ference as reported by the Universal. The newspaper's account indicated that Provision President De la Huerta atended the conference as well as Ger

Gen. Carlos Garcia, chief of staff of in the State of San Luis Potosi.

ien. Jesus M. Guajardo, an insurgen who was sentenced to death by a summary courtmartial at Monterey last n'ght, charged with rebellion, was exe-Guajardo, who was reported to have illed Gen. Emiliano Zapata, bandit thief in the State of Morelos, more than a year ago, rebelled recently en route o Chihushua with 1,300 meh. It was stated that few followed him in the revolt. He was pursued closely by de facts government forces and captured Saturday near Monterey shortly after arrest of Gen. Pablo Gonzales, who

conducted the attack on Monterey.

According to Gen. P. Elias Calles,
Minister of War, the execution of Gunjardo and the arrest of Gonzalez were due to an attempt to organize a revolutionary movement in Nuevo Leon. It is believed that other malcontents involved have been interned or are fleeing toward the United States, these includ-ing Brigadier-Generals Ricardo Gonzaies, former chief of the Tampico garri-son, and Antonio Maldonado. Gen. Ireneo Villareal, who sided in

the escape of Gonzalez at the Monterey attack, is being closely pursued in company with a small hand of followers, while Gen. Osuna, an insurgent leader, is said to be virtually alone in seeking erms of surrender.
As far as known in Mexico City the

Monterey civil court has not acted upon the plea of Pablo Gonzalez for habeas corpus proceedings. The management of the Mexican Rail-

way has appealed to Gen. P. Elias-Calles, Minister of War, to prevent strikers at Vera Cruz and Mexico City from interfering with the movement of petroleum trains between the too cities. and has been advised that the General cannot send forces against the strikers. The reply of the Minister of War stated that he could refer the situation to a ommittee of strikers appealing to them not to interfere with traffic so vital to country's transportation and industries, according to Excelsior.
